

# Text Giving - (714) 874-4777

Making a gift to King of Glory via a text message is easy and secure. You can select your method of giving (credit card or bank account), the fund you'd like to give to, and even set the gift as recurring in a variety of increments.

Note: the ideal method for King of Glory in terms of fees would be a donation given from your bank account transfer on a recurring basis. Vanco and Simply Giving have the lowest transaction fees, so if you are currently using this method, it is the most cost effective from KOG's point of view.

The first time you donate via text, you will be sent a link. When you click on the link, you will be taken to a secure site to enter your payment method (credit card, debit card, or bank account). This payment source will then be linked to your phone number so that, in the future, all you will need to do is text an amount and your choice of fund. Please keep in mind that donations made from your bank account have lower fees and will provide more funds for King of Glory to use for ministry.

King of Glory has set up our text giving to accept gifts into the following accounts:

- General Fund (Donation)
- Facility Renewal Fund (Facility)
- Youth – VBS (VBS)
- Preschool Donation (Preschool)

Note: 'Donation' is the default fund.

- The next time you give via text message, all you need to do is text an amount to our dedicated phone number and your gift will be accepted into the General Fund.
- Should you choose to give to the Facility Renewal Fund, you can text the amount and Facility, e.g., \$50 Facility.
- If you have donated by text before, you'll receive a text in response confirming your contribution and you will receive an email from 'Online Giving', giving@kogchurch.org.

## Text Giving Commands

The following are a list of commands the text giving system will accept:

---

Command	Description
<b>\$50 or 50</b>	Donates \$50 to your church. Users can type any amount; the dollar sign is optional (e.g. \$50 and 50 both work).

---

Command	Description
<b>give \$50</b>	Same as above.
<b>give</b>	Your online giving number will respond asking how much you'd like to give. Telling people to text 'give' to your number can be a more succinct way to communicate text giving.
<b>\$50 facility</b>	Donates \$50 to the Facility Renewal Fund. You can customize fund keywords and what fund they point towards.
<b>\$50 weekly</b>	Sets up a recurring gift of \$50 each week. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.
<b>\$50 facility weekly</b>	Sets up a recurring gift of \$50 each week to the Facility Renewal Fund. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.
<b>refund</b>	Refunds the previously given contribution. <sup>1</sup>
<b>update</b>	Allows donor to update their payment method or recurring gift. Your text giving number will respond with a link where users can make these changes. <sup>2</sup>
<b>unlink</b>	Unlinks a user's phone from the text to give system.
<b>commands</b>	Provides the user with a list of the available text commands.

<sup>1</sup> Donors can only refund their own gift with this command within 24 hours of giving the gift. If the previously given contribution started a recurring gift, the recurrence will also be canceled.

<sup>2</sup> You can only update recurring gifts via text when the recurring gift was established via text giving.
